Bobby,
You may not remember me, but I will never forget you!
I watched you grow during your younger years, living on Mike's Branch, in Pike county Kentucky. You and David as well as big brother Paul, You were always so full of energy and were a joy to spend time with. I remember how much you enjoyed going for rides up in the big ol bucket truck I had at the time, exploring all of the mountains and hills and the days together in the swimming pool! You made a place in all of our hearts and will always live on in there! We love ya man!

Your old neighbor and old friend
