“ Momma Debbie, I love you and miss you so much. I just don't want to accept that you're no longer here with us. You were an Angel from God. You were loved by so many people and did anything you could for anyone. You were a blessing to anyone who met you! I'll always carry you in my heart as anyone will. I have so many wonderful memories with you and a lot has been caught on my sleeves in the past few days. I just don't wanna accept that your gone but I guess this is one thing i can't change because if i could, we'd be at Lynn's drive in eating mushrooms getting burned from the hot grease. I'm gonna miss calling you and we laughing about the crazy things we did and wanted to do. I just wish I could hug you one more time. I love you so much Debbie, I also wish you could know Me and Mom are always gonna be here for Chrystal and Brianna too. I just hope you're enjoying Heaven with Bailey and Charlie. I know you wouldn't want anyone crying cause you're gone, but you just don't know how special you were to people. I love you Debbie and you enjoy them golden streets and all them animals up there. Rest In Peace and Fly High, Beautiful.
