I have known Roger for many, many years. In the good times and the bad. His last days on this earth were definitely some of the best. The photo on this condolence page says it all. He is surely looking down and smiling on us all. I pray peace and comfort for his family, his friends, and all whose lives were enriched by knowing him.

I met Roger about six years ago, but wish I'd met him sooner. He was a great guy, easy going, nice mild manner, very eager to help people; & had whale of a sense of humor, having the ability to make people laugh & hold their interest with his stories. As they say in this region, "an all 'round good old boy". Will miss you buddy, Bart Gilkeson.

Roger was a kind soul. I had the privilege of talking to him as I volunteered with the theater renovation project on Mercer Street. He always had a smile and kind words to say. He'd offer me a soda or a snack and let me know he hadn't seen me take any breaks. The signs of a giving heart. May God bless his soul. My sympathy and condolences go out to his family and to those that shared his smile.
