“ Dad, I Love you so much, I miss you like crazy and can't wait to see you again. I hope you're in heaven right now enjoying every moment you can with your mom and my brother John. I remember Mona telling me and Della, at the hospital that night they told us you were going, that if you did pass away that your mom and John wanted you home for Christmas. You died Christmas morning and that sounds to me like they wanted you home. That's kind of sweet if you think about it. You missed your mom more than I could imagine and you finally got to see her again Christmas morning. It's going to be so hard to live without you and it has been hard these past couple months, going on a year this December. Please continue to be in my dreams like you have been.  
Love, your baby daughter!

“ I remember David, Ruth and Mona and their parents Pearl & Ernie who live across the street. It was a dirt road and we called it hillybilly holler. We kids would run races donw that dirt road bare footed or climb the trees out back and play tarzan. I remember your smile david. You were always nice. I send my deepest sympathies to your family.
