“ Bill was a friend a brother to lot of us, a hell raiser back in the day, you could never count Bill out, The funniest thing I remember about Bill was in his November we actually put cut 2 by 4's and had it jacked up, took off in it at Duncan's store in lake bottom and the the blocks went one way and the car went another, I wished we could've caught up with each other and talked about old times but we didn't get too, I'll always will remember the days we had as friends and more God Speed my Friend!!!!
