“ I am a former classmate of Alice's, from Whitesville Jr. High. I remember her as being very caring to everyone, even at that early age. My deepest sympathy to all her friends and family. I know she will be missed!

“ Auntie was my friend from the time I arrived at PCH. She was there when I was married, when my son was born, and through every major event in my life. She was my confidante and one of the best friends a woman could ever have. The world lost one of the most caring, generous people ever. I will miss you forever but feel peace that your suffering is now over. I love you "Auntie Alice". Theresa

“ Dickie I hope you are doing well. Alice will be missed by many but by your the most. I have lost one sister every year for the past three years and it doesn't get easier. There are only two of us left and two brothers. My heart aches everyday for my sisters but one day we will be together again. I can still see Alice cooking and loving it and making the best dishes every. I still use recipes she gave me back in the early 80's. May Gods hand of comfort be with you in the coming days, weeks , months and years, she is gone to a better place but never from our hearts. Love Ya.

“ I worked with Alice for several years at PCH when I was the night nursing supervisor. She was always very kind and helpful and was very in tune to how to assign patients rooms according to their illness. She was a very sharing and caring person. I have a small momento from her she brought to me from Mexico which I will always cherish. My thoughts and prayers and with you, Dickie and your children

“ Was so sorry to hear about Alice passing away. We worked together for many years at Princeton Hospital and she became a good friend. I know she is in a better place now and won't have to suffer anymore. She was a very dedicated employee and enjoyed her job very much. She had many, many friends who will miss her very much. Love you Alice and may you rest in peace.

“ You became my best friend in Charleston over 40 years ago. Dickie, and your family and mine became the best of friends you loved my children only the way their Auntie could. Your heart was good. It will not be the same without you, but I will see you again and then we will have eternity together with all of our loved ones who have gone before and the ones to follow. Love you Alice George and Mary Lou.

“ Alice was my 3rd cousin but she and her sister Dickie were always more like Aunts to me. I am saddend by Alice's death but take solice in the fact that her loving, beautiful spirit is now at peace and she is in a much better place, residing in Heaven with beloved parents. I will miss her tremendously but am comforted in the fact that I have a guardian angel looking over me.
