*Thank you so much. That was always his special time with the kids. I would be at work he got them up usually grabed breakfast on the way that was how he got them to move in the mornings. There were not many days he every missed taking them out for lunch. That was just their time. He loved them dearly.*

“ Cindy and family.. my heart breaks for you. Allen was such a big part of my life growing up. He was like a second dad to me, as I stayed with you guys.. always caring. And we always had fun, playing cards as a “family” around the kitchen table. Even as I grew older Allen was still a helping hand to anyone, (even me as I knocked a stop sign over) as long as he was able, he was there to help. He loved his family, he loved his job as a police officer, and even after retirement he still enjoyed his position with recycle WV. He was dedicated, and he loved his family with his whole heart. Allen you will be missed! And thank you, for allowing me to grow up with your girl Crystal, and be apart of “the family”.. much love and prayers to you all.

“ Cindy, my love and prayers go out to you and your entire family. Time will never erase the fun and memories you and Allen have given me. I don't think we were ever around each other that we didn't laugh till we were ready to cry and he never missed the opportunity to get a good dig in on me. I will always think of him with the fondest memories as he is one of the kindest and most thoughtful people I have ever met. I loved him and I love you. You know how to reach me and I will always be here for you. Allen RIP
