“ *Daddy i love & miss you everyday. You were the rock of our family and we don't know what to do without you. You were loved more than you thought. You were the best father i could ever ask for. Thank you for always standing behind me & everything else you did for me. Thank you is an understatement. Can't imagine what you are seeing now. Just know you are happier than you could ever be here. That's the only thing that comforts me since i can't see you again. Love you more than words can say!*
