Dear Rexanna, I never realized how difficult it would be to lose the last member of my family. She was by my side as we laid to rest Mom, Dad, Judy, and Keith all the time telling me we had to be strong And she was with me during this difficult time telling me to be strong. My only wish is that everyone in this life realizes there is absolutely nothing more important than family -- and they realize it before it's too late God love you, you have always been a member of our family who feels that from the heart.
