“ Dear family,
Me and my family moved to Virginia in 1987, but Barry was my dearest friend when I lived in Princeton. We first met on the CB radio about 1970 and his handle was "Whiskers" and mine was "Matchbox". His wife's handle was Cricket and my wife's handle was Tinkerbell. We worked for the same company for two years and our families would get together for social visits. Whiskers and I would often go camping and sailing on his sailboat and had some wonderful and adventurous times together. I had just recently been trying to call Barry with no success and was going to go visit him when I found out about his passing. I would dearly love to come to his service, but due to the covid virus and my health condition I will not be able to attend. All I can say is we love you my friend and Godspeed!
