“ *Sister Betty was so sweet. I looked forward to her smiling face when she'd come to church. She was so thoughtful to bring me Nativities. She will be missed. May God bless you and give you comfort that only He can give. Ewilda*

“ *Betty was one of my favorite aunts. She was so funny and always had that beautiful smile. She was so kind to me when I was a little girl. I will always remember the money she gave me at Christmas so I could buy my mom and dad a gift. What a pleasant memory of Christmas shopping with her! A very special lady.*
