“ *Jim, James Robert and Kellie:
I am so sorry for your loss. Billie and I worked together many years ago at Cracker Barrel. She was a kind soul, and she loved each of you more than life itself. She was a prayer warrior and certainly a child of God who took witnessing for Him very seriously. May she rest in His arms peacefully now. May each of you find peace in knowing this.

“ My sympathy to the family of Billie. I worked with her at JC Penney and she was so delightful and her laugh was so joyous. She was always there for me and I thought of her as a dear friend. May God give you comfort at this difficult time.

“ *Billie was one of the sweetest, loving and caring people I ever met. She was always more concerned about how YOU were than how SHE was. She was so kind and tender hearted and she was very much loved by her Fairview Church family. She will be sadly missed by all of us.*

“ *I worked with Billie at Hill's. It has been over thirty years since I have seen her. But I still remember her and have thought about her over the years because she was such a sweet person and was always good to me. May God comfort the hearts of those she leaves behind.*

“ *Kellie was a sweet friend of mine in school. I can remember going to their house and Billie was the best. She loved every child in her home like you belonged to her and she would take the time to pray with us and truly wanted to know what we needed her to pray for us. She was truly a wonderful example of what a good Christian woman and mother should be. I know she will be greatly missed by her family. I will be praying for comfort for you all.*
