“ I love you grandpa and miss you bunches. My heart hurts I feel like you are the last person that truly loved me and loved me cause they think they have to. I can't believe this is real I never could picture you not being around. I love you so much until we meet again tell Dave I said hey and tell my mom I love her miss her. Love forever

“ You became my father-in-law in 1983 and since 2004 you have been my substitute dad. You were a great granddad to my boys showing them what a good man should be by your example and love. Your strength, your wisdom. and your witty humor helped get us through the tough times in our lives. They say earth's loss is Heaven's gain. Heaven gained a precious man who is now in that great cloud of witnesses watching over us . We sing I Can Only Imagine but you don't have to imagine anymore. You are there with your Heavenly Father and your Savior Jesus Christ. We may not can see you with our eyes, but you will always be be loved, cherished and remain deep in our hearts.
