“ *Dear Diana and family,*

Regardless of truly feeling sorry for your loss, I know those words won't help a lot right now. I can't imagine the pain and sorrow that's weighing so heavily on your heart and soul right now. There are so many people who love you and your family and who are praying for you right now. I pray so fervently that you and your loved ones will feel the peace and comfort that only God can give to you right now. Bobby was such a joy to know and will be missed terribly. He may be gone from this earth but his spirit will live forever in the hearts of those who loved him. Sending you much love, Ibby
