“ Sorry to hear about Brenda. Her and I go back a long ways. We worked as young girls at the Sterling Drive Inn in Welch. I am 3 months older than her. She was a wonderful person and a hard worker . We had some good times back in the day. We met up again a few years ago at her home in Bluefield. Prayers for her children and family.

“ To Brenda’s family: too many memories of good times we all had together! Brenda was a great friend for many years, but I have not been able to see her in the last year. I love Brenda and she meant a lot to me. In the past, we did many things together, ministries, cruises, traveling, and most of all friendship. You will be missed!
