“ Amber, Rose and family. I said a prayer for you today, that God may hold you in the palms of His hands and the circle of his arms. That He will give you the strength to carry on and remember the good memories. I worked with Brian at BRMC. He was always such a gentleman and always smiling. If you needed assistance, he would jump right in there and help you. He had pictures of his children an wife and he would share with you what his children were doing. He will be missed! “ Words cannot take away the pain and loss that you are feeling and I pray that God gives you comfort in peace during this great time of sorrow. I count it a honor to have gotten to know Brian and his family. He was always kind, gently and soft-spoken and always had a smile and encouraging words. I think of all the times that he took Bentley under his wing and church. He will be missed by all who knew him.

I had the honor of working several years with him in the pharmacy at Bluefield Regional and then was surprised later on to find out he was also working at Princeton community with me. We always took the time to chat when I would see him in the mornings at work and talk about all the good times we had in the pharmacy. We had become good buddies He always had me laughing! I will definitely miss him. My prayers go out to everyone in his family as they go through this hard time.*
