“ *Wow Buck and I were both I.R.S. employees and I knew him for many years. We shared quite a few lunch hours together at Harry's in D.C. He was a great person, a unique individual and a friend. I am so sorry to hear about this. He will always be remembered by "The Lunch Bunch".*

“ I am sorry to hear about B.H. III passing away. I didn't know anything about him for I had no knowledge of B. H. Jr's family, I was never in contact with him after I came back from WWII for I lived in N.Y. and I believe he was in the Air Force. I know he died many years ago. It's sad that life is this way. I cannot get on their web-site with this webtv. If you are in contact with them further, please give them my condolences, also his Aunt Joy and Frank Brodkorb.
