“ Jimmy and Pam, I just ran across Uncle Carl's obituary .... I did not know he had passed away. You were there with open arms during the loss of all my family members, and it breaks my heart I wasn't there for you. I was probably closer to Uncle Carl than many of my aunts and uncles. I will always remember the summer I worked at the school and rode the bus, which gave Uncle Carl and me lots of time to talk about a variety of subjects. And what great memories of all the nights I would spend with you, play on the bus, and I'm sure kept Uncle Carl and Aunt Lorraine up late into the night, but never a peep from anyone (not to mention we probably drove Jimmy crazy). What wonderful memories spending time with your family!! I will always cherish them.

Again, my heart-felt sympathies. I will always love you all and you will forever remain in my heart.....

“ Pam and Jimmy. I have wonderful memories of coming to your home "in the mountains". I remember Uncle Carl letting us play on the bus he drove. He was a sweet, caring and loving man. You had a truly loving family. Love you.
