“ What a pleasure to meet Carolyn, at CMS, where she was a volunteer one evening in December 2018. We are neighbors of her brother David and sisters-in-law Dee, in Green Valley. I remember enjoying her art in their home and was fortunate to have met her that evening. Our sincere condolences and loving peace for the family and friends. Paul and Gaynell Gonzalez

“ I worked with Carolyn at the hospital for several years. She was a great person and nurse. Her children were small and she spoke of them with love. In recent years she volunteered a day at Mercer County Technical Education Center with Health Occupation students. She was kind to them - a good role model and positive influence. She was always friendly and smiling.

“ I worked with Carolyn at Mercer Health Right. She was a wonderful nurse and treated all patients with dignity and compassion. She was a great friend and she had a great sense of humor. She continued to serve her community after she retired. Condolences and Love to her family and Bill.

“ Carolyn was one of my very first friends. She was my cousin, 5 years older than me. I am sure I was a tag-a-long. We used to spend hours reading National Geographic and playing school in her front yard. Growing up, I thought she was the most beautiful girl I knew.

She was very kind to my Mom and went to visit her in the nursing home. I appreciated Carolyn's kindness.

“ Carolyn was my good friend for many years. We had many adventures and I will remember them with smiles. She was a good caring person and liked by many. We were friends in high school, working at Sears, and later I worked for her and Bill at AB Graphics . We attended trade shows together and worked on class reunions. She was a talented artist and some of her work is here at the train museum.
