“ *Eddie has always been like an uncle to me. Its so hard to believe he's gone. He will definitely never be forgotten. We have all shared so many memories. I always loved listening to him play guitar and singing along. He even had a song named after him "brown town". My dear friend you will surely be missed. I pray for all of his family and friends that somehow everyone can find peace and comfort. I love you and thank god you was a part of my life.*
