

Cheyenne Cline

November 20, 1992 - December 14, 2014

Cheyenne Cline, 22, of Peterstown, West Virginia was granted her angel wings December 14, 2014 following a life long battle of epilepsy and Rett Syndrome. Her final days were spent surrounded by her loving parents and siblings. She went peacefully in her loving mother's arms. Born November 20, 1992, she was the daughter of Benny and Sandi Cline of Peterstown.

Cheyenne's life seemed short to many but those who were touched by her understood that the quality of existence far exceeds the quantity of time in which one lives. Her beautiful smile and lively spirit could melt the hearts of those around her and though she never spoke a word, her voice and thoughts could always be heard. She possessed strength and an ability to overcome incredible odds and physical challenges. Cheyenne gave us courage and strength and reminded us daily of how precious life was and it shouldn't be taken for granted.

She loved to play and pick fights with her father and sister. When especially offended she would put out her chin and prepare to stand her ground.

With Cheyenne's passing we are reminded that her life is one to be celebrated. Although we will miss her everyday, especially her smile, she will forever remain in our hearts. It has been a privilege to be her parents.

Cheyenne is survived by her parents, Benny and Sandi Cline of Peterstown; her sister, Nikki Riner and her brother, Bronk Cline. She was preceded in death by her grandparents, Tommy and Phyllis Blankenship and Homer and Alma Cline.

Private services were held for the family. "They are not dead who live in the hearts they leave behind." – Tuscaroia. "Sing you death song and die like a hero going home." – Tecumseh.

Arrangements by Bailey-Kirk Funeral Home in Princeton. To send the family online condolences please visit www.bailey-kirk.com.

“ *Dear Sandi and family,
No tears in heaven~~~
Never has been. Never will be. But shed all you wish and need to
here on God's earth. I have been on this journey between losing my
son and finally being able to see him again for 23 years now.
Just wanted to let you know I am here if you need to talk and that
my prayers are with you each and every day.
Love 'n (((Huggs))))
