“ *I am so saddened to read this about Chris. I had not seen Chris in probably 7-8 years. I did not even realize he was still in the area. I have thought of him and Kilo many times over the years and wondered how they were and if Chris ever got his boat on the water. He used to talk about it all the time.:-) He was always so kind to me and could always make me laugh. My heart goes out to all his family and friends. Chris was a special guy.*
