“ Toni and Claude--two of the finest and most wonderful people I have ever known. When Claude died I remember my mom, Esther Syres, telling Toni: "We have lost a good one". And now with Toni's death, the earth is diminished again. She was the epitome of elegance, grace, intelligence, kindness, and caring. Her words brought great comfort to me when my mom passed. I hope the respect and love with which Toni was regarded will bring great comfort to your family. So sorry that major surgery prevented me from paying my respects personally. Many prayers and much love are coming your way.

Always,

“ Sandi and family,

Toni was truly a wonderful lady, always smiling and so sweet. It was a blessing to live across the street from her and seeing her cheery face. We were all so close just walking into each other's houses for a chat or a cup of sugar. I can hear her (and Ruby) now calling to my mom as they walked in any time of day. She was a bright light in my life and so many others.
