“ I first knew Clyde from our family attending there for the first time. His daughter Donna and I knew each other through school. I remember this family laughing a lot. My father Bill Christian became best friends with Clyde. He told me in life your lucky if you have a couple of good friends in a lifetime he said I had two and Clyde was one of them. my father knew Clyde was getting sicker and visited him every week. Donna and your family are in my thoughts and prayers today. I called my father this morning because this will be a tough day for him too. My love and sympathy goes out to you and your family today and the days ahead.
