“ To Sandy, Connie, Wanda, and David - I loved your dad so much, he was such a wonderful man and I am very thankful and honored to have had him in my life. I have many memories of him, but some of the best and funniest were his stories about riding his motorcycle. By the sound of it he must of been one tough dude on that Harley Davidson - wish I could of seen that. I know what a good Daddy he was and how much everyone of you loved him. He was a good dad and grandpa as he loved his grandchildren. I will always have the memories especially him and Ruby coming to Heather and Jason birthday parties, My heart is heavy now as I will miss him, but I feel he is with Ruby now and he is feeling so good, My thoughts and prayers are with all of you.
