“ Dallas and I spent many hours going to ham radio festivals and radio trades, I'm thankful I was able to help him on his antennas . Last week I told Dallas I was thankful to have him as a brother but more as my best friend.

So many great memories and so much time spent with him preaching in his churches or us going to rest homes to sing and preach. Dallas married me and my wife Dalice who he introduced me to at a tent meeting. Too many memories to pen them all, a silent key on the ham radio but our time spent together will live on.

“ *I have know of Dallas since our Boy Scout troop 252 was holding a car wash at Bluefield Va's Sam's Club years ago. I then began to hear him on the local Ham Radio repeaters and even met him a time or two. He and his son came to an East River Amateur Radio Club meeting and they play the guitar and sang some songs. It must have been a Christmas dinner meeting now that I think about it. Dallas was a neat fellow with tons of stories and was interesting to converse with. Please accept my sincere condolences. Best wishes to all the family. 73 OM, George Fisher W4OF Bluefield Va.*
