“ Dearest Peggy and all the family: We are so sorry to hear of your precious husband's passing. I've heard of only nice things he has done for family, neighbors and everyone. He had nice parents too. Mother and Daddy (Naomi and Lovis Walker) were friends with Charlie and Grace. We had to go by their house on the hill at Matoaka when we went to our home on Browning Lambert Mountain. Grace would always invite us in. They were a wonderful family. We are sending prayers and if we can help you in any way, please let us know.

“ *I worked around Sparky my entire career with WVDOH, and when you were around him...never a full moment. He could lift you up when you were down and make you laugh. I especially grew close to him this last year when he and I both operated an endloader on the lot. He talked a lot about his retirement and spending time with his family. I've never been around anyone that loved their family any more than he did. You guys were blessed to have such a caring husband, father, and grandfather. May God comfort each of you in these trying times. I will sure miss my old buddy who called me 'Cuz'*
