“ *Bless you all, Aunt Gerri was very special. She came to visit us in Ohio once as you can see in the photo. I remember living in the log house with her and Uncle Dillard the most. I cannot recall a stern word or a raised voice even when there were so many of us.*

*Helping to make the biscuits for meals I wondered why she always flipped them in the pan before baking, when I was grown I ask her. " For spreading the bacon grease to keep the tops soft" she said. Her biscuits were the best.*
