“ *I have wonderful memories of Aunt Louise. I will always cherish a McCormick Family Reunion quilt that she made. She brought a twin-sized sheet to a family reunion & everyone drew their handprints & wrote their names and a message if they wanted. She had it quilted and it was raffled at the next reunion to keep money in the coffers for the next reunion. I had the winning bid and the "hands" quilt has become a family heirloom. She and Uncle Curt will not be forgotten.*
