“ *Mildred, Willie, Mike: I am so very sorry for you're loss, I know this is a very hard time for you right now and I can't express how much you are in my thoughts. I won't even say, "It gets easier over time", cause I'm not even there yet or sure that happens but I do know you are all loved and being sent prayers. All I can say is, be strong and know you have some wonderful people in your lives who will always be there for you and who love you. Willie I am here if you need to talk or vent and thank you for being there when I needed you.*
