“ My Aunt Devella was a great lady!! When we went down on vacation I would help her out at her house so she could go out the road to Nannie's to help out there!! She always made sure she made my dad (her brother) salmon patties one of his favorites!!! She will always have a special place in my heart!! I like to think I took alot after Aunt Devella!! Especially the love she had for family & how she took care of them!! To me she was one of the strongest lady I have ever known!!! So proud & honored to call her my aunt!! I'll always cherish my memories of her!!! My love for her is never ending!!! Love you Aunt Devella & one day we will see each other again!!!

Mom was an amazing woman she was a very strong willed and tough lady the only hell she ever raised was me and she raised us kids to be respectful of our elders and when someone needed help to help them because she was the type of person that would give any person the last dime she had and she loved us kids and her grandchildren with her whole heart and I will never forget my mom she was the rock of her family .
