“ *Jerry, Betty and Roger.*

So sorry for the loss of your brother.

My memories of Dewey is how he loved those 57 Chevy's. My favorite was the blue and white.

I always saw him setting on his porch watching traffic and throwing his hand up at those who blew the horn as they drove by. That will be a sad little porch without him.

Prayer for healing to the family.

Tammy,
We are so sorry to hear about the loss of your father. My husband grew up with Dewey and has known him for over 60 years. He always considered him a good friend. I would see him sitting on his porch relaxing when I would go to town. Dewey was a good person. Were praying for you and all the family. RIP Dewey

“*Tammy, I am so sorry your father passed on. I have known him for many, many years. The last time I talked with him was when my husband was living and Mac had me call him about hauling some gravels for us. He told me he had quit hauling stone.
