“ *Don, I have such a hole in my heart today. You and I have a special bond and always have had one. From eating honey buns, putting crabs in your bed to the one on talks and the advice you gave me that is still between us. The last hug we had a year ago and the tears we shed together as we left West Virginia to return home. My Air Force service started the days we visited you and Betty at Macoy AFB, who would at that time the AF would be my life because of those days. Love you Buddy.*
