“ Kay - So sorry to hear of Don's death. I had known Don since we were 5 years old. He and his family lived in the other side of our duplex (we called them double houses then). Went through all 12 grades with him. Wish he had attended our class reunions so we could have stayed in touch. I lost my husband a little over two years ago, so I know what you are going through. It is tough, but with God's help you will get through.
