“ Donna was one of the sweetest people I know she will be truly missed. I have been friends with her since elementary through high school. We lost contact for a long time and Facebook brought us back together. Donna love for the Lord was evident, and she was not ashamed to talk about her Lord and Savior Jesus Christ. While she is absent from our view she is in the presence of our Lord. Donna I will always remember all the great things about our friendship, and you will remain in my heart until we meet again. Take your rest and sleep until then my dear. Thank you for being a friend both in the natural and spiritual. Love Always Carolyn Lee Mckinney (Matoaka Indians 1972 Strong!!!)

“ *Donna had a personality that out shined the sun. She always had a smile on her face and always greeted me with open arms and a big bear hug. She was special and sweet and outgoing. My prayers go out to Mark, Connie, Ila, Rhonda, and Karen. She is walking the streets of gold with her family and my family. Can't wait to see them all. Love to all.*
