“ *Dot was a special person and the best stepmother I ever had, and there were a few. Due to distance our time together was limited, but when we were together we always laughed. They were good times, and I am thankful and blessed to have known her. I pray my sister, Yvonne, was there waiting to greet Dot at the pearly gates!💕. My deepest condolences to her sister, children and all the family and friends that held Dot close to their hearts 💕*
