“ Diana, Christina and families, I am so sorry for your loss even though we all know she is in a better place and she is with her love and her Savior. I didn't know your Mom very long but she certainly became someone I loved and admired just as I did your Dad. I know it leaves a big void in your lives but you have the satisfaction of knowing where she is. My love to all of you and May God bless you in the coming days and the future.
