“ Earl was dedicated, kind and loving man to his family. Earl had a big heart for all his family and friends. He was very devoted to taking care of his parents, children and grandchildren. He loved his brother making guitars together and his sisters. My grandfather thought the world of Earl and said often he was a good man. He loved his sons Derek, Kris and Josh. He taught them to be good American citizens but most of all he loved his baby girl Maria his princess who he was very proud of and always brought a big smile to his face. He was a wonderful grandfather taking pride in his grandchildren and great grandchildren. He loved each and everyone of them and had a special place in his heart. It was an honor and a privilege to know him.

*Fly high Earl and Rest In Peace.

“ Iam going to miss setting around and joking with you, and hearing the things you would tell me about mom. I still can't believe that you are gone from here, but I know that I will see you again, and I pray that when I get heaven were you we just are things and go fishing, and I now come fall you will be up there chasing the biggest deer that you remember seen in your life. See you soon when God calls me or he comes Rip uncle Earl. Gone but not forgotten.
