“ *We have lost such a precious soul. Very kind hearted and loving man. those big beautiful blue eyes and that smile made you very happy to be around him. I remember when Uncle Buddy told you (when you were little) not to pick the first apple that grew on our tree ,cause he wanted to see how big it would get. Well, you didn't pick it, but you took a bite out of it and left it hanging. How could we get mad? we still laugh about it. So many memories of you we can cherish. RIP We are going to miss you and will always love you*
