“ *I have many years of memories with Missy. My heart has always ached for her and wanted to just hold her and make it all better. No matter what kind of day she was having she always was my friend. Always told me she Loved me and never forgot how to say thank you. Many laughs, Many tears and alot of hugs. I've always Prayed for her and I just pray she's found some peace and can rest now. Prayers for all of us who Love her. Prayers for David because no matter what they always Loved each other.*
