“ As long as I live, I'll never forget our "road trip"!! That was a night to remember! You swore you'd never take me anywhere else lol! But was always offering to take me to the Dr! We didn't get to take our last "road trip" and it breaks my heart! When I talked to you, you always had a way to make me smile! You were more than my cousin, you were my friend! And I will miss you terribly! You got the final checkered flag Eddie! You and Daddy keep each other straight till I get there! I love you Eddie!💔💔💔💔 RIP
