So sorry for the loss of Aunt Elitha. Yes she was bossy, funny and sassy. I have memories of her being that way. One of them was at a family reunion as a child when she told my sister and me to get out of that chair so she could sit down. We were taught to be respectful so we got up and gave her the chair. The other memory was not too long ago I saw her at the dr. office and she said who are you. I said you know who I am, so she replied by asking me how Mike was. Then said get over here and give me a hug. We have lost a very special lady. Dani, Anita, Jeff and the rest of the family let's all keep the memories of Aunt Elitha near and dear in our hearts. We will keep you all in our thoughts and prayers!

*I loved her so much
One of a kind
Last few times I was around her she spoke of some old times
I went somewhere with her , Mom, & Gene
Aunt Elitha was in the back seat, we stopped to get gas
I went in and got cokes
Very quietly I tried to open my drink
Mom didn't want to have snacks in the car
Moms keen ears heard me open the bottle and said no eating in the
car
My dear Aunt Elitha whispered to me "It's ok go ahead and drink it" and
winked at me
She really was so much fun. Life will not be the same without her. I will
always have special memories of her. Til we meet again, fly high Aunt
Elitha I love you !

strong individual. Very intelligent and loved to read. Remember going
to her birthday party in 2018. She was so spry
And full of life. She will definitely be missed by us all.RIP now, Elitha.
