“ Tracy's Momma in West Virginia passed away - she was diagnosed with lung cancer almost a year ago. What is so very sad is that cancer has no mercy....it literally robs us of our loved ones, slowly striping them of the person that they really are.I only saw Liz twice , but she was one of the most amazing women I've ever met, His Momma left us : Elizabeth Asbury passed away and went to heavenshe will be missed by me more than anyone will ever , ever know.To the men in her life : Donny,Tony, Johnathan, and Tracy - I'm so sorry for your loss.The kindness and dedication to Liz throughout her life and in her final days didn't go unnoticed. We were Blessed with one last visit with Liz just last Thursday / Thanksgiving day.We were able to stay until Saturday but had to leave for home to get back to Tracy's job. You are with God now sweet Liz - please be at Peace now ,watch over us and be with us forever and ever.
