“ I want to send my heartfelt sympathy to Vickie and Dale and there families and also our Cousin Terry who was visiting from Virginia and was there with Aunt Ellen on the last mile of her journey here on Earth . I hope Ellen’s dear ones find as much comfort in knowing that as I do. I feel more joy for Aunt Ellen than sadness and although I can’t be there with y’all today I feel that it’s more a celebration of her life well lived than a sad time. Ellen was the youngest of nine children and my mom was the oldest . There were about 35 of us nieces and nephews and in addition to bringing up Vickie and Dale to be wonderful successful people both Ellen and Emory extended that love and concern to every one of us .She was just accepting of everyone . Always kind . Never critical. When I used to stay with them sometimes She sent me to Sunday school with Vickie and introduced me to Jesus as a friend I and taught me lessons I never forgot. Even though I am far away I kept in touch . For many years she sent me a birthday card every year. Ellen was one of those rare people that we call a “treasure “ If you have one in your life You know what I mean. You don’t lose them. You carry them in your heart 💖 .

*Ellen was one of my families best friends growing up. After my mother died and I was working out of state, devastated. Ellen always remembered to call on special occasions and the send cards. It meant so much. She continued to be my friend always. I love her so. I absolutely know. I will see her again and that she is rejoicing in paradise.*
