“ *God looked around his garden and found an empty space. Then he looked down upon this earth and saw your tired face. He put his arms around you and lifted you to rest. God's garden must be beautiful, he only takes the best.* 🌸🌹

💕 *I really miss and love you How much you'll never know
You were so special to me How I wish you didn't have to go
Even though you're there, not here I know you will see
The special thoughts I have for you and what you meant to me* 💕

💕 *Me and Kamerin love you more than anything can explain. I am beyond blessed to have had you in my life for almost 25 years. You are the best grandmother anyone could have. I'd give anything to have you back, but I know your no longer fighting and can rest.*
