“ *We are so sorry and please know you are all in our thoughts and prayers. In my memories Uncle Everett was always so happy and always had a joke ready to tell. He was always laughing and chuckling and that proves he was also nice enough to laugh at my jokes no matter how bad they were. He was always so family oriented in my memories especially with Carol and all the kids but the rest of the family as well.*

*Of all the songs our family sang when I was young, Misty was one of my favorites and he sang it so well. I could never listen to that song without thinking of him. I feel so bad that time goes by so quickly then suddenly you realize how much time has slipped by since we last saw each other. I know you all are scattered from MD.to W.Va, too. So lets hope this terrible Covid ends soon and we can get all the stars to somehow align so we can all get together and share our wonderful memories face to face.*

*I know it was sudden but I take some comfort that he did not suffer a long illness or long hospital stay. But please also know that he and all of you will always be in our thoughts and prayers.*

*Love,  
Chuck O'Dell and family*
