“ Gail was my mom's guardian angel. She and Jim always took care of Mom when she was in WV, and I knew I never had to worry about her. I don't know whether Gail realized how loved she was and always will be.

“ I am also Gail's niece. I am her sister's daughter (Teresa Sangid). Growing up Gail was my second mom. She never missed a birthday, never missed Christmas, my graduation, my wedding, or my baby shower. She was top notch. She stepped in for my senior prom and done it all for me. I am so thankful I had such a strong influence in my life. I have so many memories spent with her and Jimmy. Especially camping and fishing. Nobody can even come close to making an orange cake with cream cheese icing like she could. Those were the days. They helped make my childhood perfect. To me anyway.  
I am praying for God's comfort for Jimmy in the days to come. ❤️
