“ I have nothing but fond memories of George! If you ever had the pleasure of meeting George or Betty, you know they always made you feel welcome. My first memory of George was when my daddy, Jerry Woolwine, tookng me as a little bitty girl in the barber shop @ the end almost of Mercer St. I remember him being so hilarious even then! As child, my parents would go to visit George & Betty and of course, my brother & I loved to play with John. I even think the neighborhood boy, Scott Bowling would come play too! I've been outta WV for a long time so all I have are distant memories. Nevertheless I cherish them! Heaven received one special angel when George went home! I can only be emphatic to John and my heart & prayers go out to you! However, I know the lose of a husband and Betty I am so sorry!! I love you all and miss you!! Your in my thoughts & prayers!

“ Mr. Harmon cut my dads hair, Edwin Monroe (Pee-Wee) Dennis, hair. i loved going in and sitting and talking to Mr. Harmon. He always had a smile on his face. Mr Harmon and dad were my babysitter so mom could go shopping without me. i didn't mind, cause i Loved them both.

“ George was always so sweet to my boys, who he gave their very first haircuts! From the time my oldest son was tiny, if you asked him who cut his hair, or if you could cut it, he emphatically stated that only George cut his hair!

I always enjoyed taking them and "visiting" with George. He was more or less the family barber, having cut the hair of four generations of our family, and, I am sure, many others. He was a good neighbor, too - one you always knew you could count on if you needed anything. He will be missed!

Betty, John, and extended family - you have my deepest sympathy for your loss.

“ Betty I am so sorry for your loss. George was always such a nice and congenial person. JB thought there was no one like George and that he was the "only" barber. He considered George a personal friend. I know he is rejoicing in heaven at being able to see George and talk to him again. We have angels watching over us. My heart hurts for you. *Betty,
Just wanted you to know that we are thinking of you & your family at this time. I remember walking from Mercer Elementary after school and George cutting my hair and giving me coins for the gumball machine. He cut my hair for over 50 years and I looked forward to seeing him every few weeks. His shop was more than a shop. It was a place for his friends to meet and swap news, tall tales and livestock. I will miss him but always remember his kindness.

“ Betty and family, I am so sorry for your loss but Heaven has gained another angel. My son is 46 years old and George cut his hair from when he first needed a haircut all way through high school. When he would come home from college he would head to George's to get his hair cut. He also cut my brothers' hair, Wayne and Allen (and probably Gene's too). He was a wonderful man who loved his family, church family, and his friends. I remember George from growing up in Black Oak. RIP George. You will be missed.

“ I am praying for you family as I learn about your loss. I have known George for at least 52 years. His barber shop was across the street from my daddy's insurance office. After school (Mercer) I would walk to see daddy and always go over to see George, he always had a sucker for me!! I grew to love George very much. He cut both of my daughters hair and both of my granddaughters hair. We would try to arrange our Princeton visits around my husband needing a haircut!! Ben got his last haircut from George in Oct. 2016. We kept in touch over the years and I always appreciated him calling to check on me. Such a sweet dear man and good friend, he will truly be missed.

“ George was such a great man. He gave both my boys their first haircuts and always had Tootsie Pops for them and pennies for the gumball machine afterwards. He always sent momma home with a Tootsie Pop too.
No matter where he saw you out in town he stopped and took time to talk and ask about the family.
Sure going to miss you George!
