“ I am so sorry to hear of Professor Brock's passing. My prayers go out to the family and the UMUC family. I've known him for 4 weeks into the semester and knew that he was one of the best teachers ever. He was online no matter what time I may have logged on. He ALWAYS asked me if I had any questions or if there was anything he could do better in the class. We would exchange a few more messages and then he was ask again if I understood everything before he left the conversation. I had not experienced that concern with any other teacher in the all the years with UMUC or any other college. He was truly special.He is sharing his kind and gentle strength with God now, maybe showing him how its done.. Peace and blessing to his family.
