“ Mom i miss you so much i am lost without you. You always knew what to say if i was down or up. You were my best friend not just my mother. You will always be the best mom in the world to me. You always loved me no matter what i had done or have done. You told me i was wrong when i done wrong but you prayed with me & for me. I love you so much it hurts! Please forgive me for being down but i don't know what other way to be since you're not with me now. I tried to call you but you're not there. Neither is dad. What do i do now??? You were my comfort, my security, my best friend and my mother. Life feels like it has stopped but i have to keep going with no problems. Just know i have been very blessed that God give you to me as my mother and dad to me as my father and we couldn't have gotten any better than you guys. For your sakes & honor i will rejoice for the both of you in Jesus name knowing that you both are in a better place with Jesus Christ. It is hard to believe that anyone loves you more than i but i know Jesus does. Hope to see you both soon even though my faults & sins are many. Just know you two are greatly missed and i love you to the end of the world & back!!!

Love Always & Forever
Your Daughter,
Janie
